IN GRATEFUL APPREC

MISS GLADYS A. DUGUID

The graduating class of 1958 will always remember Miss Gladys A. Duguid and so wishes to express its appreciation by dedicating this annual to her.

Miss Duguid was certainly a well-qualified teacher. She has an A.B. degree and has attended Columbia University, Indiana University, Michigan University, Ball State Teachers College, and Wisconsin University. She was most efficient and very well liked. Her cheerfulness and a deep, sympathetic interest in her students are two of her outstanding characteristics which contributed to her success as a teacher.

During her thirty-two years of service at Auburn High School, beginning in 1925, she taught English and French. For many years she gave her students great pleasure by securing for them English student correspondents in France and Belgium. In her junior English classes, she used the "Reader's Digest" effectively as well as group reading of poetry. The students especially enjoyed her classes when Miss Duguid employed the use of records, which she played on her own record player.

In extracurricular activities, Miss Duguid took a big part. She has sponsored several freshman and sophomore classes, and we shall especially remember her as the founder of the Future Teachers of America Club at Auburn High School. Many students have benefited from membership in F.T.A. and have thus been encouraged to enter the teaching profession. Miss Duguid sponsored the club until her retirement from teaching in 1957.

Miss Duguid's hobbies consist of reading and traveling, and no doubt she has done much of both. In September of 1957, she had the most wonderful experience of touring Europe. She spent nearly six months there; and since her return, she has been invited to many gatherings to present a talk and slides of her trip.

For all Miss Duguid has done for us, we can merely say—Thank you.

IATION WE DEDICATE

MR. CLYDE M. GUMPP

To Mr. Clyde M. Gumpp, with gratitude and in remembrance, do we dedicate this *Follies of 1958*.

Mr. Gumpp was a man of high goals and high standards in everything he did. He has been a teacher much respected by his students since he first came to Auburn High School in the fall of 1926. Before he came to us, he taught in the West. Mr. Gumpp holds the degrees of B. Accts., B.S., and M. Accts.; he attended Manchester College, Drake University, Indiana University, and Ball State Teachers College.

Through his teaching of bookkeeping, typing, shorthand, and other business courses, he has encouraged many of his students to enter the field of business. "Keep smiling, keep sweet, and keep writing," was Mr. Gumpp's prescription for efficient stenographers, and he has turned out some really good ones. Mr. Gumpp conducted his classes in a practical way, following office form.

In addition to his full-time teaching job, Mr. Gumpp freely gave his time to outside school activities. He helped at the football and basketball games many years and sponsored several classes including a junior class and a banquet.

Mr. Gumpp has many personal interests. He enjoys radio and television and keeping up his properties at home. One of his several hobbies is review work, and he likes recreation of all types.

Since his retirement in the spring of 1956, Mr. Gumpp has truly been living the leisurely life of a retired man. He spends a good deal of his time in Auburn, although he visits his son in Texas frequently.

For his sense of humor and his willingness to help his students, Mr. Gumpp will always be remembered by those who were acquainted with him during his years of service at Auburn High School.

THE AUBURN BOARD OF EDUCATION

PRESIDENT N. E. YODER

Mr. N. E. Yoder was elected president of the Auburn Board of School Trustees after serving as secretary last year. He has been completing the unfinished program of last year; one project was completed with the dedication of the H. L. McKenney Junior High School on April 20, 1958. He is giving consideration to the future requirements for school activities in Auburn. Mr. Yoder has helped a lot toward the improving of our schools.

SECRETARY FORD WALTER

Since this is his first year on the school board, Mr. Walter has been learning the duties and responsibilities of a school board member. He does the written work for the board. He has spent the year reviewing and studying the present school system. Twenty years of experience as office manager of the Farm Bureau and as secretary-treasurer of a credit union has qualified Mr. Walter for the job of secretary of the school board. He is a very efficient worker.

TREASURER A. B. LITTLETON

This is Mr. Littleton's third year as treasurer of the school board. His main duty is to manage the board's finances. He has helped in a re-study of the school's insurance program and assisted in the landscaping of the new H. L. McKenney Junior High School grounds after the old junior high building was torn down. He has done a good job of keeping the budget balanced these last three years, during the building of the new Junior High School.

THE ADMINISTRATION

SUPERINTENDENT H. L. McKENNEY

Mr. H. L. McKenney has been superintendent of the Auburn schools since 1923. He is always considerate and ready to help others. His constant effort has brought about many improvements in the schools. The building of the new Junior High School is just one of his many accomplishments. He has done well as our superintendent and we are proud to have him working for us.

PRINCIPAL LLOYD W. MILLER

Mr. L. W. Miller has filled the position of principal of Auburn High School well. He teaches group guidance, citizenship, and vocations besides performing his regular duties as principal. He helps the club presidents work out a schedule to prevent conflicting dates for meetings. Just one of the many reasons he is well liked by the student body is that he is always ready to help individual students with their problems. He is not only athletic director but also sponsor of our annual among other things. He has a hard job, but he is fulfilling it well.

MRS. CARMA-JEAN ECKERT has worked as secretary for Mr. McKenney since she graduated from Auburn High School. She had a leave of absence at the beginning of the year and did not start work until in October. Although most of her work is in the office, Carma helped sell tickets at ball games. Her understanding ways make her everyone's friend.

MISS ROSE MARIE OPENLANDER has been Mr. Miller's secretary since her graduation in 1955. Besides her regular secretarial duties she helps at the ball games by preparing tickets for selling, selling tickets, or acting as ticket taker. Rose has also done some work for the Parent-Teacher Association. Her cheery smile helps brighten the day.

THE CLASS POEM

High school days, high school days,
Happy, happy high school days!
A lot of work, even more play,
But a thing to look back on
When we're old and gray.

As freshmen, we gawked
(At this huge new place
And every strange face);

As sophomores, we balked
(At school, with which we were bored
And discipline, which we abhorred);

As juniors, we swaggered
(At the thought of being "big shots"
Pushing around the little "tots");

As seniors, we staggered
(Under the weight of heavy books
And teachers' unfriendly looks).

High school days, high school days,
Happy, happy high school days!
A lot of work, even more play,
But a thing to look back on
When we're old and gray.

– William Eden

He discovered a dietless reducing plan.

Essential in Congress is Richard Morr;
He is now in charge of sweeping the floor.

To the presidency of Alcoholics Anonymous.

He's a member of the Foreign Legion.

Although Dick Smith was quiet, his motives were real;
He now owns full rights to the Altona still.

He's an eccentric, but happy millionaire.

Never again shall we see Rita Souder;

In a padded cell where he can do no harm.

Roberta Steininger's job is gigantic;

He's the outstanding evangelist of our day.

Margaret Webb and Jeri Walter,
Recently made a trip to the altar.

Pat Walter travels at giddy paces;
She's a champion jockey in ostrich races.

We see Marlene Welly's shining face
Advertising Stroh's on a billboard space.

Ronnie Wilcoxson is known throughout the land,
As the "World's Most Perfectly Developed Man."

Judy Wilmot, while swimming, a shark she met;
The shark was hungry and Judy got et.

Bob Winebrenner is listed on the top ten

An inside worker is Gloria Woodcock;

Committed to Richmond was Mary Cline;
She went crazy trying to make words rhyme.

The Class of 1958

The class of '58 is finally taking its big step out into the world. Each individual is preparing to stand on his own two feet and to make a name for himself in whatever he attempts. Many plan to further their education by going on to college or by taking a specialized course of some kind; others will begin working immediately after graduation.

Among the long-cherished memories will be "Skeet's" quizzes, seventh hour classes, the Christmas Formals, Devils' Journal copy rush, annual staff meetings, Blackouts, Mr. Miller's send-ins, "You Can't Kiss Caroline" (this year's junior-senior play), the junior-senior banquets, Baccalaureate, and Commencement.

The class of '58 was led scholastically by Lynda Dunn, William Eden, Natalie Bair, and Roberta Holdeman.

The seniors chose to lead their class: president, Richard George; vice-president, David Cserep; secretary, Sandra Ennis; treasurer, Edwin Perkins; sponsor, Mr. Thomas Furber; and class mothers, Mrs. Garth Silberg and Mrs. Oris Coffin.

In the sports department, Richard Morr was elected president of the Auburn Athletic Association, and David Magnuson was elected secretary. The boys who participated in sports and who received their letters were: football: Arthur Albert, Donald Allison, Frederick Brown, Charles Coffin, David Cserep, Richard George, Dennis Ketzenberger, Michael Long, Jack McAninch, David Magnuson, Billy Rediger, Ronald Shull, Max Simanton, and Robert Winebrenner; basketball: Jacob Blevins, Frederick Brown, Richard George, David Magnuson, and Richard Morr; track: Arthur Albert, Donald Allison, Frederick Brown, Jacob Blevins, David Cserep, Norman Carrico, Charles Coffin, Richard George, Dennis Ketzenberger, Michael Long, David Magnuson, Richard Morr, Edwin Perkins, and Billy Rediger. Manager letters were awarded to Richard Morr, football; David Cserep, basketball; and Max Simanton, track.

The girls who led the cheering at the football and basketball games were Jane Gingrich and Sarah Kinsey.

The Class of 1959

The juniors, feeling more and more like upperclassmen, worked hard all year to raise money. They had various projects which included operating the concession stand at football games, selling tickets on the lawn mower (given away at the DeKalb County Free Fall Fair), and peddling Christmas cards and pen sets. These funds, of course, were earned for the annual Junior-Senior Banquet which was held at Pokagon State Park on May 16. The parents of the juniors deserve a word of praise for the dance, movie, and breakfast held afterward. A large percentage of this year's Junior-Senior play cast was composed of juniors. Both Melanie Myers and Janlee Lewis played the title role in "You Can't Kiss Caroline." Rebecca Treadwell took the character of her little sister, and Karen Stump played the part of the drug store owner. Roger Goodwin was the "intellectual" of the high school crowd while Judith Sherwood portrayed a level-headed lass. Over the summer, the juniors will be getting ready to assume the tasks which come automatically with the senior year.

Roger Goodwin proved himself an able president of his class. The other capable officers were: vice-president, Richard Reuter; secretary, Mary Ann Gerig; and treasurer, Judith Aubrey. Mrs. James Herzer was the class sponsor, and class mothers were Mrs. Michael Myers and Mrs. Forrest Gerig. The honor students were James Detrick, Roger Goodwin, Rebecca Treadwell, Charles Laurie, Marilyn Dennis, and Sylvia Grogg.

The junior athletes were: football: Lee Allison, Richard Bowerman, Jack Cook, Roger Goodwin, Arkie Haiflich, Robert Moore, Abe Ochstein, Eric Rieke, and Preston Stackhouse; track: Lee Allison, Richard Bowerman, Wilbur Camp, Michael Crowley, James Detrick, Roger Goodwin, Arkie Haiflich, James Jackson, Eugene Link, Charles Laurie, Robert Moore, Abe Ochstein, Eric Rieke, Preston Stackhouse, Wayne Smith, Crandall Gustafson, and James Wilmot; and basketball: Roger Goodwin, Charles Laurie, and Eric Rieke.

The Class of 1960

Believe it or not, just last year these happy-go-lucky sophomores were only freshmen. Like most freshmen they found A.H.S. rather bewildering and noisy at first but as sophomores they took on more responsibilities. This year they discovered that there was someone younger than they. Next year the sophomores will he "rarin' to go on" as juniors. The sophomores had their first thrilling (?) days in driver's education and their first classes under "Pop" Furber. World history poked its head around the corner as did general business and Caesar. In English class the sophomores had the nerve-racking experience of giving oral book reports. Pioneers in their field, the "sophs" decided to buy class sweaters this year. The black sweaters with red and white letters look rather smart, don't you agree? And, of course, there were the class parties and the many other extra-curricular activities.

The leaders of the class were: William Heffley, president; Bonnie Muhn, vice-president; Carolyn Sue Myers, secretary; and Sandra Goodwin, treasurer. For sponsor the sophomores chose Mr. William Deck, and the class mothers were Mrs. Lloyd Hoodelmier and Mrs. Rex Cochard.

The sophomores also had their share of "brain children." They were Lawrence Beuret, Charles Lange, Jayne Bussell, Sandra Doden, and Diane Olson.

Those who put on the shoulder pads were: David Brandon, Timothy Brown, Dale Cochard, Jon Feagler, Michael Frownfelter, Joseph Garceau, William Heffley, Richard Moore, John Pinnington, Gerald Reynolds, Ned Short, Ronald Thomas, Warren Wiedenhoeft, and Thomas Cook.

The sophomore net-swishers were Jon Feagler, Dale Cochard, Steven Davidson, Ned Short, Ronald Thomas, Warren Weidenhoeft, Richard Moore, Roger Souder, and Thomas Slick.

Those who participated in track were: David Brandon, Timothy Brown, Dale Cochard, Robert Conner, Steven Davidson, Larry Essley, Robert Souder, Ned Short, Gerald Reynolds, John Pinnington, Michael Frownfelter, Jon Feagler, Joseph Garceau, William Heffley, Richard Moore, and William McClellan.

The Class of 1961

The first year in high school was a new and thrilling experience for these green freshmen. They will always remember their first formal dance, getting familiar with the A.H.S. rules, initiation, big nights at the Canteen, homework, and the fire drills.

The freshmen class voted not to have any class parties this year because they felt they should save their money for the junior-senior banquet, which they will sponsor when they are juniors.

The class officers were: president, Ann Pasmann; vice-president, Donald Steininger; secretary, Sandra Shook; and treasurer, Steven Silberg. The sponsor was Mr. Robert Love, and the class mothers were Mrs. Cecil Woodcox and Mrs. George McKinley.

The "brains" of the freshman class were: George McKinley, Philip Trippel, Marie Johnson, Thomas Smith, Judith Kruse, and Kaaren Schmidt.

The boys who participated in sports were: football: David Aschleman, David Bard, David Cole, Lee Emerson, John Gaskill, James Grosh, Gladwin Hay, Warren Hildebrandt, Donald Lemish, George McKinley, James Reas, Steven Rose, Douglas Scott, John Shoudel, Steven Silberg, Richard Smith, Thomas Smith, Donald Steininger, Barry Stroh, Ronald Tarlton, Ronald Vaughn, Kim Webb, Roger Weimer, Steven Wildermuth, Philip Woodcox, and James Mason; basketball: David Aschleman, David Bard, William Barnhart, John Gaskill, Gerald Hess, Robert King, Donald Lemish, George McKinley, James Reas, Douglas Scott, John Shoudel, Steven Silberg, Donald Steininger, Barry Stroh, Richard Smith, Thomas Smith, Ronald Tarlton, Kim Webb, Steven Wildermuth, and Philip Woodcox.

The freshmen class has gotten off to a great start in their first year at A.H.S. We wish them continued success in their following sophomore year.

Presenting The Follies of 1958

After twelve years of working and waiting, we, the Class of 1958, have reached our long awaited goal—Graduation. Now that we have finally reached the peak of our aspirations, we must concede that these twelve years have certainly passed all too rapidly. Unfortunately, there is only one time in our lives when we have the opportunity to be a teenager and to attend high school. These four years have been the most important and the most formative years of our lives. Our ascension from plateau to plateau has included a variety of learning interwoven with various extra-curricular activities among our friends and fellow classmates. Reading, writing, and arithmetic are not the only things one learns in this education. But by association with others, such qualities as leadership, responsibility, and self-reliance are grasped by the student. Altogether, these four years are unforgettable; therefore, the Class of '58 has prepared this book to sustain and preserve the experiences we have shared together.

At one of the first business meetings of the senior class, a motion was made to produce an annual. The remainder of the staff was elected and assignments were made. However, last spring, preliminary work, —laying out the dummy to provide a bare outline for the staff and taking pictures—had begun. Slapping glue on the pictures . . . writing articles . . . long hours . . . deadlines . . . worries . . . work and more work . . . such is a summary of activities the Follies staff has labored through. Each member carried out his job fully. Each was eager and always ready to cooperate.

However, the Follies is not only the product of work by our own staff but also the product of several individuals and companies to whom we are greatly indebted. First and foremost, we wish to thank Mr. Lloyd Miller, our principal. In the midst of the numerous activities and responsibilities that he administers as principal, Mr. Miller has somehow found time to sponsor our annual and spend many long hours helping us assemble all the parts of it. He has rendered considerable helpfulness and advice, without which this yearbook could not have become a reality. Our many thanks must be extended to Mr. Robert Love, who spent many hours checking and correcting copy and perfecting the write-ups. Mr. Kelso Davis of the Davis Studio certainly deserves our thanks for superbly taking and developing pictures. He put forth great effort and patience to take just the pictures we wanted. Through Mr. Thomas Broom of the Fort Wayne Engraving Company, these pictures were collected and beautifully engraved. An attractive cover carrying out the theme was prepared by the S. K .Smith Company through the help of Mr. Jack Bundy. Our journalistic efforts were carried out successfully by the Auburn Printing Company. The Heckman Bindery deserves much credit for its superior job of securly binding the Follies together. And last but certainly not least, we wish sincerely to thank the merchanats and businessmen of our community who have purchased advertising space in our annual. Without their thoughtful generosity, this book could not have been presented.

As each of us travels his own path of life in the future, encountering new faces and new movements, may these pages record forever the things you did and the friends you know. If this book brings to you a flood of golden memories in years to come, then we, the Class of 1958, have accomplished our purpose in presenting the Follies to you. — Lynda Dunn

Hi-Y

The Hi-Y is in its second straight year under the capable leadership of Mr. Robert Walter. This "Y" club, which has been in existence here for many years, is composed of junior and senior boys. The Hi-Y Club proved to be a very helpful organization under the following officers: president, William Eden; vice-president, Richard Morr; secretary, David Gorney; treasurer, Michael Crowley; and chaplain and sergeant-at-arms, Kenneth Webb.

This year's Hi-Y Club continued the "go to church" campaign from last year. The members, as a group, attended one Sunday church service each month. They attended the Presbyterian Church, the St. Mark's Lutheran Church, the Trinity Lutheran Church, the Church of Christ, the Methodist Church, and the Church of the Brethren.

The annual Sandwich Day was sponsored by Hi-Y and Tri-Hi-Y together. The money raised by this event was sent to the State YMCA Board to further YMCA work overseas. A formal induction of new officers was held jointly with the three other "Y" clubs. Hi-Y also went caroling at Christmas time with the other three "Y" clubs.

The speakers and topics at the club meetings were: Mr. William Storey, who spoke about the telephone company; and Mr. James Rittenhouse, who gave an interesting talk on the safe use of fire-arms.

This year the club instituted a recreation night. Once every two months they held a short meeting and afterwards played basketball and went swimming.

At the DeKalb County Free Fall Fair Hi-Y and the other "Y" clubs sold tickets on a Kodak Pony camera outfit and a Royal portable typewriter. They sent the profits to the State YMCA Board to further YMCA work overseas.

William Eden and Richard Morr attended a district conference at Angola on March 24. They talked with representatives of other clubs and heard a speech by Nathan Wooden, state Y.M.C.A. secretary.

At the second April meeting an election of officers was held for 1958-1959. At the last meeting of the year a formal installation of officers was held.

Plebes

This has been the second year for the Plebes which was organized in 1956 for freshman boys. The organization of this club made Hi-Y fellowship open to any Auburn High School student who wants admission. The club is in effect a junior Hi-Y club, but the name "Plebes" was chosen to mark it as an organization for underlassmen and to avoid confusion with the Hi-Y. This year the club was joined by sophomore boys. The size of the Hi-Y Club made it necessary to place the sophomore boys in with the Plebes Club. Now there are a freshman and sophomore club and a junior and senior club. This gives the boys experience in two clubs just as girls have experience in two "Y" clubs, Teen-Y and Tri-Hi-Y. This year has truly been a progressive year for the Plebes.

The officers elected for the year 1957-1958 were: Harvey Harris, president; Joseph Garceau, vice-president; William Heffley, secretary; Timothy Brown, treasurer; Lawrence Beuret, chaplain; Ronald Thomas, sergeant-at-arms; and Larry Cooper, news reporter. Mr. Charles Johnson was the club advisor and Mr. Gene Holdeman was their "Y" sponsor.

Thirty-three new members were enrolled and answered roll call at the meetings.

The club had an interesting program schedule this year. Judge Harold Stump told about his experiences in the F.B.I.; Uriel Sandoval spoke on South America; and Mrs. Harry Covell spoke on etiquette.

At Christmas the Plebes went caroling with the Teen-Y, Tri-Hi-Y, and Hi-Y clubs. They also sent a CARE package in December for Jordan relief. In April the Plebes sponsored their annual WOWO Record Hop at the Y.M.C.A.

Four delegates were elected to go to the Fall Conference at Angola. Harvey Harris, Joseph Garceau, and William Heffley went to officers' training camp at Delphi during the summer.

Among the several summer activities that have been planned by the Plebes Club is a party at Pokagon State Park. They will also sponsor a record hop at the Auburn Junior High School on June 6, 1958. Jerry Booth will be the disc jockey.

Tri-Hi-Y

Tri-Hi-Y is an organization of the Young Men's Christian Association composed of sixty-four junior and senior girls. The purpose of this club is to promote clean speech, clean sportsmanship, clean scholarship, and clean living.

The very efficient officers elected for this year were: Natalie Bair, president; Mary Cline, vice-president; Anne Klock, secretary; Jeanne Bassett, treasurer; Lois Lemper, chaplain; and Nancy Engelbert, sergeant-at-arms. This year Tri-Hi-Y was under the capable leadership of Mrs. Joan Bobay, club advisor, and Mrs. Gene Holdeman, the "Y" advisor.

The induction of new officers was held jointly with Hi-Y as also was the induction of new members. Tri-Hi-Y also held a joint meeting and attended, as a group, a Sunday church service once each month with the Hi-Y. The joint meetings were a sign of the spirit of cooperation taught in these "Y" clubs.

Tri-Hi-Y helped radio station WOWO with its annual "Penny Pitch" campaign. The club collected ninety dollars and contributed the money to the worthy cause. The club also helped in the "Heart Fund Drive."

The guest speakers for the year included: Mr. Colpetzer from the State School in Fort Wayne; Mr. Phillips from Ravens Croft Beauty School; and Mrs. Jean TenEyck.

Tri-Hi-Y entered a decorated car in the parade at the annual DeKalb County Free Fall Fair. The car won a first prize of fifty dollars. The car was loaned by Mr. George Hess and was driven by Mrs. Hess. Jointly, the three "Y" clubs sold tickets on a Kodak Pony camera outfit and a Royal portable typewriter.

The district conference at Auburn was attended by Martha McComas, Anne Klock, Lois Lemper, Nancy Engelbert, and Natalie Bair.

At Thanksgiving Tri-Hi-Y sponsored a semi-formal dance, which everyone enjoyed very much.

Teen-Y

The Auburn Teen-Y Club is one of many clubs affiliated with the National Young Men's Christian Association. The Teen-Y clubs are made up of freshman and sophomore girls. This year the Teen-Y had a membership of ninety-six girls. The officers were: president, Bonnie Muhn; vice-president; Carolyn Myers; secretary, Joyce Grosh; treasurer, Janet Hoodelmier; chaplain, Nancy Kleeman; and sergeant-at-arms, Sandra Goodwin. Their sponsor was Mrs. Gene Holdeman.

A candlelight induction service was held for the new members with the other three "Y" clubs. The speaker was the Reverend LeRoy Buuck.

Teen-Y had a very interesting schedule of programs during the year. Mrs. Robert Mendenhall discussed and demonstrated good grooming; Mrs. Leo Hildebrandt gave a talk on handwriting analysis; Mrs. Don Folk spoke about nursing and nurses' training; Mrs. Charles Overmeyer spoke on successful living; and Mrs. Donald Johnson presented a very interesting program with group singing.

Teen-Y is a self-improvement and service club. The leaders of this organization and all of the members seemed to be blessed with ambition and vitality. The Teen-Y joined Hi-Y and Tri-Hi-Y at times for various occasions. These joint meetings were a sign of the spirit of cooperation taught in these "Y" clubs. Teen-Y went Christmas caroling with the other three "Y" clubs. Teen-Y and Plebes sponsored a New Year's Eve Dance for all high school students. They also decorated a car, entered it in the parade at the DeKalb County Free Fall Fair, and won a ten dollar prize.

Bonnie Muhn and Janet Hoodelmier attended officer's training camp at Delphi during the summer.

Teen-Y held a joint installation of new officers with the Plebes on May 5, 1958. The speaker for the evening was Mrs. Charles Overmeyer. Teen-Y is looking forward to more successful years of service and interesting activities.

The Auburn High School Band

The band has taken great strides of progress under the leadership of its new director, Mr. Richard Norris. He has taught the band members several fundamentals of music and, because of encouraging progress, will probably have a top band in the near future.

The band presented numerous half-time shows at the home football games and had a very colorful marching record. They placed third in competition at the DeKalb County Free Fall Fair marching contest. They also received an excellent rating at the district marching contest at Fort Wayne. Not to be forgotten was the Auburn-Cord-Duesenberg convention parade, their band day at the fair, and a Christmas concert.

However, the biggest day by far was October 26 when the band went to I.U. at Bloomington for their College Band Day. This trip was the longest in the history of the A.H.S. Band. An impressive first was a concert assembly held on January 29 in the little gym.

Then, marching was put aside and concert material was started. The band went to Concord-Spencer on March 29 for the district contest.

In addition to this contest, several members went to the district solo and ensemble contest on February 8 at Fort Wayne. Those playing solos and their ratings were: Dennis McCammon, excellent; Judith Kruse, excellent; Linda Cutter, superior; Diane Davis, good; Natalie Bair, excellent; Donna McNutt, superior; Doris McNamara, excellent; Lee Emerson, excellent; Janet Rugman, good; Sandra Bassett, excellent. The ensembles and ratings were: clarinet quartet, N. Bair, J. Bassett, G. Trout, S. Grogg, superior; brass sextet, D. McCammon, J. Jackson, K. Webb, R. Moore, L. Beuret and P. The officers of the band were: Dennis McCammon, president; Natalie Bair, vice-president; Sheron Conner, secretary; and Jack McAninch, treasurer.

The Auburn High School Chorus

The Auburn High School Chorus again has been under the direction of Miss Frances Hewitt. This has been a busy year for all, too.

On February 1, the district contest was held in Fort Wayne for the vocal groups. The soloists who received honors were: Marlene Welly and Jo Ann Kruse, superior; Carol Winebrenner, Louise Showalter, and Kathleen Beuret, excellent. Those who received superior ratings were eligible for the state contest which was held February 15 in Indianapolis. At that time, Marlene Welly received superior and Jo Ann Kruse, excellent.

Chorus members participated in a number of activities this year. The Bel Canto singers sang for the Riley School Parent-Teacher Association in October, for the County School Association at the Court House for their Christmas party, and for the Christmas assembly program at the high school.

The chorus sang for the Christmas assembly program and for the first Annual Christmas Festival sponsored by the Auburn merchants. Both groups sang for the high school Parent-Teacher Association, Good Friday service, the Spring Concert, Baccalaureate, and Commencement.

Choir robes were the main reason for fund raising and many methods were instituted. A rummage sale, sales of Christmas corsages, and a style review and musicale in May helped to swell the fund. On May 6, the choir presented a combination of the latest fashions and musical numbers.

Another important activity that may become a tradition was the crowning of the Queen at the Spring Concert. This year's queen was Bonnie McCann. Queen Bonnie was attended by four senior girls: Marlene Welly, Jacqueline Thomas, Judy Wilmot, and Jo Ann Kruse.

This was the debut of the Freshman Trio. Its members were Pamela Treadwell, Marie Johnson, and Charlene Smith. They entertained at the Christian assembly and at a Harrison School Parent-Teacher Association meeting.

The Future Teachers of America

The Future Teachers of America Club was chartered during the 1954-1955 school year. Our club was named the Robert Schooley Chapter in honor of a former outstanding teacher and prominent citizen of Auburn. The club belongs to the state and national Future Teachers of America organizations. The members are juniors and seniors who are interested in teaching as a profession.

A certificate is presented each member at graduation stating the number of points he has earned while in F.T.A. These points are transferable to college F.T.A. clubs. Points may be earned by one hour of service, such as assisting the teachers and parent-teacher groups, by ushering, or by appearing on programs. Teaching in church school, ushering in church, singing and practicing in the choir, and assisting in community drives such as Red Cross, polio, heart, and cancer drives also earn points. Extracurricular work, such as assisting the school librarian, working on the school paper, working on assembly programs, and working on the school play, are the most common ways of earning points. One may also earn points by reading certain books and pamphlets. Scholastic standing is also important, and being on the ten per cent or Follies honor roll merits points.

Throughout the second semester, the senior members each taught in one of the elementary grades for an hour every week. The meetings were held in the high school instead of the members' homes as had been the custom in the past.

Informative programs were held. At one meeting the members had a discussion on colleges. Two outstanding guest speakers presented talks this year. Miss Gladys Duguid gave a very interesting talk on her travels in Europe, and Mrs. Rosemary Sheets gave a talk on interesting facts and experiences that occur in the everyday teaching of classes.

The officers elected for the year 1957-1958 were: Roberta Steininger, president; Mary Miller, vice-president; Sylvia Grogg, secretary; Roberta Holdeman, treasurer; Susanne Schramm, parliamentarian; Nancy Engelbert, historian; Mary Lou Odenkirk, librarian; and Martha McComas, song leader. Miss Bette Bingley was their very capable sponsor.

The Mitsue Ueda Club

The Mitsue Ueda Club is the foreign correspondence club in Auburn High School. This organization is for any high school student who wants to correspond with students from foreign countries. This year letters were written to pen pals in England, France, Italy, Japan, Philippine Islands, Switzerland, Denmark, and the West Indies.

Meetings were held on the second Thursday night of each month. Members were required to write to their personal pen pals at least once a month. The club dues defrayed the expense of refreshments after each meeting. At their meetings members read to the club the letters that they had received. Some of the members exchanged gifts with their pen pals. Although the messages were personal, members would read each other's letters and make suggestions for improvement. Much of the fun came from sharing information.

In January the club had an election of officers and drew up their plans for the year. In February the members organized correspondents, each member selecting the country to which he was interested in writing. They also had a speaker from Auburn-Cord-Duesenberg. In March the Reverend LeRoy Buuck gave an interesting talk on his experiences in China. In April Miss Gladys Duguid spoke on her trip through Europe. In May they had a big pot-luck dinner with foreign foods.

Although the club is more commonly known at Auburn High School as the Foreign Correspondence Club, its official name is the Mitsue Ueda Club. Mitsue Ueda is the name of a Japanese girl who wrote to Auburn High School three years ago and requested pen pals for herself and her friends. Since then, names have been obtained from other countries, and new foreign relations have been established. The Gitta Sereny Club had adopted two Austrian schools and sent food packages and letters overseas previous to the Mitsue Ueda Club.

The club had a total of thirty-four members. The officers for this year were: Anne Klock, president; William Heffley, vice-president; Martha McComas, secretary; Jeanne Bassett, treasurer; and Glenna Trout, sergeant-at-arms. Mr. Lloyd Miller was the sponsor of the club.

The Librarians

The main purpose of our school library is to serve as a reference library for all of the subjects taught in Auburn High School. There are also special reference materials in the home economics, the American history, the world history, and the biology and agriculture rooms.

In addition to reference books, almanacs, atlases, and fiction, the school library has a magazine rack. The magazines, used for reference as well as entertainment, range from the *Atlantic Monthly* and *National Geographic* to *Outdoor Life* and *Hot Rod*. Auburn High School subscribes to more than twenty-five magazines.

Our school library has less than one hundred books of fiction because the public library is well stocked and very close to the high school building. Over one hundred dollars' worth of books were put on the shelves during the first semester.

The student librarians, who signed magazines and books in and out of the study hall, were: Jane Ketel, first period; Diane Cripe, second period; Phyllis Groves, third period; Jeanne Bassett, fourth period; Fern Humbert, fifth period; and Beverly Mussak, sixth period. The assistants were: Marilyn Johnson, Kalene Axtell, Carolyn Boren, Judith Dwyer, Martha McComas, and Larry Cooper.

Besides the assembly librarians, there were also organizational librarians. Arthur Woodcox was the agriculture librarian, and Arthur Albert was the librarian of the Future Farmers of America. In biology classes Michael Cornelius and Cathy Walter kept track of the books and periodicals. Donald McNutt and Judith Kruse held the tremendous job of keeping the band files in order, while Deanna Hathaway kept the chorus files in order. Mary Lou Odenkirk had charge of all the books and pamphlets for the Future Teachers of America.

Much credit should go to Miss Carol Dawson, school librarian, for the time she has spent keeping the reference shelves in order. Auburn High School students often see Miss Dawson industriously rearranging books and magazines and keeping the library in order. She is always eager and willing to help students in their search for knowledge.

The Booster Club

Booster Club members sold candy, popcorn, potato chips, and ice cream at the basketball games. The profit from these concessions financed our much-appreciated assembly programs.

This year's manager was Catherine Cobler, and the assistant manager was Jane Platter. Mrs. Artella Teter, Mr. Cecil Young, and Mr. Lloyd Miller were alternate sponsors this year. These people donated much of their time in guiding this club to its sixth successful year in Auburn High School.

The Booster Club presented five very interesting assembly programs. The first program that we were privileged to see was put on by Bob Zimmerman. He gave a very exciting account of his actual adventures on the bottom of the sea. He also described and showed us animal and plant life of the ocean. Our next program was presented by Otto Schacht and his wife. Mr. Schacht is a singer, a teacher, and a lecturer. He gave a very inspiring talk on music and a concert. The third program was presented by Don Lonie. He spoke about the American youth and gave examples of what went on in the modern teen-agers' minds. Then Mr. Thomas Bracken presented a program which included ventriloquism, bird and animal imitations, a comedy routine, and the playing of musical instruments. The last program was a series of character sketches presented by Virginia Sale.

This talent that comes to us is "first class" and is obtained through the School Assembly Service in Chicago, Illinois, and the Antrim Bureau in Glenside, Pennsylvania.

Awards were presented to each club member in a special assembly in the spring. First year awards are letters with "A" and "Booster" written on them. Second year members receive a bronze pin, third year members are awarded silver pins, and fourth year members, gold pins.

The students and basketball fans are grateful to the Booster Club for its efforts and faithfulness. Each of the members put in much of her own time and energy, working toward a successful club and contributing at the same time to a better high school life for all of us.

The Future Homemakers of America

The Future Homemakers of America is an organized club of ambitious young people, whose goal is looking "Toward New Horizons." Red and white are the club's radiant colors. They stand for youth and purity. The beautiful red rose is the club's flower.

The Future Homemakers meet once a month on Thursday nights and have business before recreation. The members exchanged gifts at the December meeting, and each girl brought a can of food which went to a needy family. The girls advertised their October "Hobo Week" by means of posters and the school newspaper. The girls kept active by doing baby-sitting, raking leaves, and doing housework in various parts of Auburn. To bring the families of the girls together, a potluck was held in November.

Each year the F.H.A. and F.F.A. clubs hold a joint party. February was the chosen time for the annual get-together.

The club has sold dampening bags and knife sets during the last few months of the school year. A successful bake sale was another of the activities performed in striving for the annual F.H.A. Banquet. The Auburn Hotel was the scene of the banquet, which was held May 8th.

The club achieved much this year under the sponsorship of Mrs. Larry Stomm. The club elected the following officers; Bonnie McCann, president; Judith Pickard, vice-president; Jacqueline Thomas, secretary; Judy Wilmot, treasurer; Catherine Cobler, reporter; Jo Ann Kruse, parliamentarian; Kathleen Beuret, historian; Marsha Elsner, song leader; and Gloria Woodcock, photographer. The club is very grateful to Mrs. Walter Pickard and Mrs. Wayne Beuret for helping out at the meetings and attending district and state conventions.

With the co-operation of the girls, club mothers, and sponsor, it gives the club great pleasure to announce that it achieved a very high rating. This year it became an honor chapter and will receive its ribbon at the state convention.

The Future Farmers of America

The Future Farmers of America is a national organization that stretches from Maine to Hawaii and from Washington to Puerto Rico. The Auburn chapter is very proud of the small part that it plays in the national organization.

The Auburn Chapter had thirty-two members during 1957-58. The chapter activities for the year included a financial project—the selling of Jello; a community project—the selling of rat poison to help control rodents in the community; and a club project—the presenting of a hog to a member to raise and improve his animals.

The F.F.A. Club holds meetings once a month at which time the necessary business is carried on and recreation follows.

The following members were initiated as Green Hands: Thomas Smith, David Aschleman, Ellis Baker, Don Hawver, Warren Hildebrandt, Roy Johnson, Samuel King, Lanny Lung, James Mason, James Reas, Dale Wildeson, Arthur Woodcock, Joe Kessler, John Kessler, and Charles Witham.

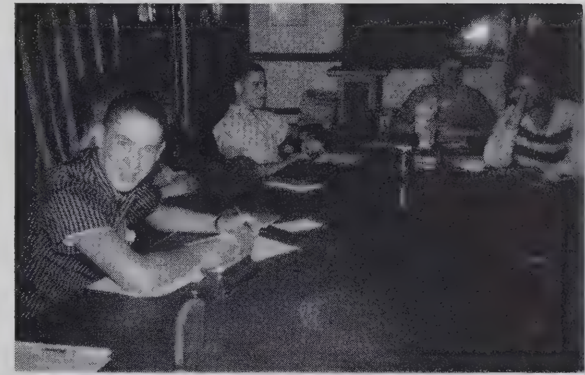
Chapter Farmer awards were presented to Bill Rediger, Dale Cochard, and Charles Mtichell.

The Star Chapter Farmer award for the most outstanding farm record in the club was presented to Richard Smith.

A grain judging team composed of Wayne Smith, Wilbur Camp, Robert Stafford, and Jack Thomas competed for honors on a state level.

Richard Smith and Ronald Bassett represented the chapter in a quiz contest on the television program "Farms and Farming" on WKJG-TV. They were defeated by a team from Pennville on their third appearance. They were sponsored by the Auburn Grain Company.

The Father and Son Banquet was held April 10 to help promote better relations between fathers and sons. The banquet was held at Brownie's Restaurant. There was a speaker followed by more entertainment.



The Girls' Athletic Association

The Girls' Athletic Association of Auburn High School means as much to the girls as basketball, football, and track do to the boys. Many girls participate in G.A.A. which is an after-school organization. The real purpose of G.A.A. is to provide the opportunity for all girls interested to participate in athletics, to assist them in acquiring better health, to develop a sense of sportsmanship and fair play, and to fulfill the need for recreation and leadership.

G.A.A. girls participated in softball, badminton, archery, shuffleboard, and baseball during the fall and spring months. During the winter session of the school year they participated in volleyball, basketball, bowling, and swimming.

This year the G.A.A. did something entirely different. On December 7 they attended the District Three Meeting of the Indiana League of Girls' Athletic Associations. It was a basketball clinic held at Kendallville for the purpose of learning new rules and reviewing the old ones. The girls that represented Auburn were Anne Drerep, Lois Lemper, Martha McComas, Glenna Trout, Mary Ann Gerig, and Sandra Ford. The schools that were represented there were Bluffton, Garrett, Ligonier, Lancaster, Kendallville, Angola, Union Township, Salomonie Township, Huntington Township, and Auburn.

In order to maintain a membership in G.A.A., a member must earn fifty points during one year. Six practices in any one period count as ten points. A girl who has acquired 150 points is entitled to receive her numeral, one who receives 250 points automatically gets a letter, and one who earns 350 points gets the highest possible award, a state G.A.A. plaque.

One of the most anticipated social events of the club was the spring banquet. At this time the annual awards were presented to the outstanding freshman athlete and to the outstanding athlete of the whole club. The latter award was based on sportsmanship, scholastic ability, and participation in the club's many activities. Also, the officers for the coming year were announced. For the seniors it meant a lot more. It was the last time they would be together with all the "G.A.A. gang."

The officers for the 1957-58 year were Jeanne Bassett, president; Anne Drerup, vice president; Sandra Ford, secretary; and Mary Ann Gerig, treasurer. Most of the success for the club goes to the faculty sponsor, Mrs. Barbara Herzer, who did a wonderful job.

The Lettermen's Club

Membership in the Lettermen's Club is obtained by winning a letter in track, football, or basketball; or by being a cheerleader or a student manager. "You Can't Kiss Caroline"

The 1957 junior-senior play was a modern comedy concerned with the efforts of the entire high school football team to date a new girl in town—Caroline Adams (Janlee Lewis and Melanie Meyers), who was by no means an ordinary girl.

Joe (Frederick Brown), captain of the team, tried to trap her, but his plans did not go smoothly. Caroline's younger sister, Susie (Rebecca Treadwell), turned up in Ma Rand's (Karen Stump) Snack Shop, and overheard the plot the boys had for getting a date with Caroline. Susie made them promise to buy her as many sodas and subscriptions to magazines as she wanted for not telling Caroline. Howie (David Magnuson) and Stanley (David Cserep) kept her well supplied with sodas while Joe made his plans for the big night. However, Joe was not the only one who had his eye out for Caroline. Johnnie (Roger Goodwin), the intellectual of the crowd, thought that Caroline was more his type—mental. On the other hand, Willie (Dennis McCammon) described her as being rather "Woodsy." The likeable Milt (William Eden) blended in his wise-cracks.

The girls who joined forces to combat the newest date menace were: vivacious Bunny (Jeanne Bassett), levelheaded Pat (Judith Sherwood), and enthusiastic Sally (Jane Ketel).

Shirley (Anne Klock), who usually had her way with the boys, and Jeanette (Marlene Welly), who was going through a stage of being exotic, refused to give up so easily.

When the night came for Joe's date with Caroline, it was interrupted when Caroline offered to stay and keep Ma's shop for her while she went to a lecture with Miss Jameson (Roberta Holdeman), the devoted science teacher. Joe was very disappointed but agreed to stay and help Caroline. During the evening, Caroline found out the plan the boys had for getting her to go with Joe and walked out on him. This upset Joe very much, but in the climax all was forgiven and Joe and Caroline were back together again.

Much of the success of the play was due to the splendid work of the crew. Steven Thimlar was the stage manager, assisted by Don McNutt. Don Allison was responsible for the stage crew, and Diane Copeland was assisted by Lynda Dunn on the properties crew. The make-up director was Janice Scott, and Mary Lou Odenkirk's crew did a fine job of advertising the play by means of posters. Steven Andres was in charge of the lighting, and Richard Reuter acted as business manager of the production. Understudies were Susan Knauer, Mary Ann Davidson, Sarah Kinsey, and Steven Andres.

Much credit should be given to Mrs. Joan Bobay and Judith Van Dercar for their fine work in directing this memorable play.

The Auburn Athletic Association dates back to the beginning of interscholastic athletics in Auburn High School. It was organized to promote school spirit, to increase the enthusiasm of the students who attend and participate in the different sports, to bring about clean sportsmanship, and to emphasize fair play.

The officers for the A.A.A., which is the nickname of the Auburn Athletic Association, were chosen by the members of the A.A.A., who are the football squad, the basketball teams, the track squad, the yell leaders, the managers of the three major sports, the band members, and the student season ticket holders. The officers for the year 1957-58 were: Richard Morr, president; David Magnuson, secretary; Miss Mary Catherine Wood, treasurer; and Mr. Lloyd Miller, athletic director.

Pep sessions, which were held before our most important games, were conducted by A.A.A. President Richard Morr. He was always called on to give a little speech and a joke. The yell leaders then took charge of pepping us up for the game with new and old yells. The pep sessions were closed by a few words spoken to us by one of the three coaches, Mr. Virgil Landry, Mr. Robert Walter, or Mr. Charles Johnson.

Coach Charles Johnson came to us this year from the town of Van Buren where he coached the freshman and junior high teams. He is the assistant football,

The A.A.A. has helped Auburn High School to get many of the athletic facilities and much of the equipment it wants. One of the items that the A.A.A. has provided in the last year was new steel hurdles. New steel stands for the Earl Carr Memorial Field have been purchased from the Wayne Iron Works, Wayne, Pennsylvania. The stands are seventy-two feet long and twelve rows high and will have a press box in the rear. The Earl Carr Memorial Field will also receive this summer installation of new bulbs, holders, and reflectors for the lighting system.

The coaches chose their own managers to assist them. Coach Walter chose Larry Morr as his track manager for the 1957 season. Coach Landry chose Richard Morr for his football manager. For the basketball season Coach Landry chose David Cserep as manager and Joseph Garceau as statistician. All the boys did a fine job in assisting the coaches this school year.

Jane Gingrich, Sarah Kinsey, and Diane Copeland were elected by the student body of Auburn High School to serve as yell leaders for 1957-58. They did a wonderful job of cheering the boys on, whether the result was victory or defeat.

VARSITY 1957

Football 1957

The Auburn Red Devils, with Coach Virgil Landry at the helm, started off the 1957 season on a losing note. Auburn was nosed out 14 to 13 in a thrilling game by the Decatur Yellow Jackets. Auburn started the scoring when Fred Brown tallied on an eight-yard center plunge; the extra point was good, making the score 7 to 0. Decatur tied the game in the second half. Art Albert then scored, but the try for the extra point failed. The Yellow Jackets scored the final touchdown on a 46-yard pass play. The try for extra point was good and it proved to be the final margin of victory.

The Auburn Red Devils, led by Fred Brown, who gained 159 yards, upset the Kendallville Comets 26 to 7. Friday the thirteenth was not unlucky for Fred Brown as he worked the ends for two touchdowns. The Comets passed a lot, but their passes were broken up by Dave Cserep and Abe Ochstein. The Devils out-gained the Comets on the ground by gaining 304 yards while holding the Comets to 117 yards. Roger Goodwin and Ronnie Shull also scored for Auburn.

The Devils returned home after a long road trip to entertain the Bluffton Tigers at Earl Carr Memorial Field. The two teams played a bruising ground game and Auburn came out victorious 24 to 6. Fred Brown again stood out offensively. The Tigers scored early on a 45-yard pass play. Roger Goodwin tied the score at 6-all and Art Albert, running around end, scored the lead touchdown. Ronnie Shull scored two final touchdowns for Auburn. Dave Cserep and Abe Ochstein were effective against Bluffton's passing attack.

Auburn stayed on the winning track as they won a thrilling 15 to 13 decision over the Fort Wayne Concordia Cadets. The first score come in the first quarter when Jerry Goeglin fumbled and Bill Rediger of the Red Devils downed him in the end zone for two points. Concordia scored in the third quarter and led 7 to 2. Art Albert went 4 yards for a touchdown to put Auburn ahead after Concordia had fumbled. Jerry Goeglin went 65 yards for a touchdown and Concordia led 13 to 9. With only four minutes remaining, Roger Goodwin scored the winning marker.

Auburn traveled to Nappanee to meet their toughest foe of the season and lost 27 to 2. Several of the Auburn players were flu-ridden and missed the game. Nappanee had too much speed and power for the Auburn eleven. The longest run of the game was made by Jeffy Fields of Nappanee on a 54-yard gallop. The only Auburn score came in the final quarter when Michael Long blocked a punt in the end zone for a safety.

Aubur was not up to par and as a result was tied 13 to 13 by Hartford City. Auburn scored first on a 57-yard run by Fred Brown. Hartford City scored next, but missed the extra point. The score stood 7 to 6 in favor of the home team, Auburn, at half time. The Airedales went ahead when Dave Jones broke through the line for 53 yards and a touchdown. The try for the extra point was good and Hartford City led 13 to 7. Ronnie Shull scored the tying touchdown but his plunge for the important extra point was stopped short.

Warsaw staged a mild upset over the Auburn Devils on Warsaw's stomping grounds. A fumble by the Red Devils cost them a touchdown and set one up for Warsaw. The extra point was not converted and then Auburn went ahead when Abe Ochstein sprinted for a 65-yard touchdown. This was the only time Auburn led as Warsaw tallied in both the third and fourth quarters. Final score was Warsaw 20, Auburn 7.

The big game of the season proved to be a victory for the Auburn Devils as they defeated the Garrett Railroaders by the score of 14 to 7. The game was a great team effort highlighted by the punting of Fred Brown which kept Garrett deep in their own territory. Auburn scored first in the first quarter as Eric Rieke caught a pass in the end zone. A quick

kick was blocked by several Auburnites and then recovered in the end zone by Eric Rieke. Since Dave Cserep converted both of the extra points, Auburn was ahead by the score of 14 to 0. Garrett scored when Griffen hit Legget for a 73-yard touchdown pass.

Auburn traveled to Edon, Ohio, and won 26 to 6. Auburn scored three touchdowns in the first quarter to start the game off with a bang. Auburn took advantage of the breaks as Goodwin scored from the one after an Edon fumble. Tim Brown scored on a blocked punt; Dave Cserep converted the extra point. Roger Goodwin scored the third touchdown of the quarter on a quarterback sneak. Fred Brown notched Auburn's final touchdown in the third quarter. Edon's only touchdown came when Fred Brown fumbled.

The final record of the Auburn Red Devils stood at five wins, three losses, and one tie. This record was a considerable improvement over last year's record. The Devils will lose a lot of players through graduation, but still they expect to have a good season in 1958.

The football reserves also improved their season record as they came up with two wins and two losses. They had five games scheduled, but the last game with Kendallville was cancelled because of rain. The reserves started off on the wrong foot by losing to Concordia 15 to 14. The next game was a victory over Kendallville 13 to 12. The reserves won their second straight victory over Garrett 20 to 19. They closed out the season by losing to the Howe Cadets 13 to 7. The experience the players get from playing in the reserves is invaluable in future years.

Coach Landry presented football awards to several of his players. Those receiving letters or chevrons were: Arthur Albert, Donald Allison, Frederick Brown, Charles Coffin, David Cserep, Richard George, Dennis Ketzenberger, Michael Long, Jack McAninch, David Magnuson, Billy Rediger, Ronald Shull, Max Simanton, Robert Winebrenner, Jack Cook, Roger Goodwin, Abe Ochstein, Eric Rieke, Preston Stackhouse, Timothy Brown, Jon Feagler, Richard Moore, Ned Short, Ronald Thomas, Joseph Garceau, and Richard Morr, who was the manager.

Basketball 1957-58

A small, inexperienced team confronted Coach Virgil Landry of the Auburn Red Devils for the 1957-58 season. Out of the sixteen players on the varsity squad Richard George was the tallest at 6′3″.

Auburn's first game of the season was played at home against the Fort Wayne Concordia Cadets. Auburn found the Cadets too tall and too rough and as a result lost by the score of 71 to 50. Concordia was led by Ron Wilson and Al Buuck, who each scored twenty-two points.

Auburn won its first game of the season by defeating an all-senior South Bend Washington team on Auburn's home floor 57 to 51. Both teams were cold in the first half, but Auburn looked good in the second half as they pulled away. Blevins was high point man for Auburn with fifteen.

Auburn downed South Bend Riley for its second straight victory 61 to 53 at Auburn. Blevins and Magnuson paced the Auburn attack with nineteen and seventeen points respectively.

The Garrett Railroaders got revenge for their football loss by defeating the Auburn Red Devils 60 to 50. Auburn was unable to stop Larry Getts who scored thirty-three points. It was a close game until Melvin Maggert of Garrett scored six free throws in a row. Garrett managed to stay in front for the remainder of the game.

Auburn traveled to Fort Wayne to meet the North Side Redskins and lost by the score of 53 to 43. Auburn lost in the final quarter as North Side made ten baskets in eleven tries. This effort was too much for the Red Devils.

The Auburn Red Devils played one of their toughest games against the South Side Archers at Fort Wayne. Auburn played a very creditable game even though losing 62 to 47. Big seven-foot Mike McCoy, who scored twenty-two points, was far too much for the small Auburnites to cope with.

The Auburn Red Devils failed to fill Coach Landry's Christmas stocking on December 21 when Auburn played the Peru Tigers. Peru won by 55 to 50 score and continued their long skein of consecutive victories over Auburn teams.

Auburn lost the next game, this time to the Kendallville Comets by the score of 59 to 42. Kendallville poured it on in the final quarter as Auburn showed poor shooting and blew several easy shots. Jerry Brown was high for Kendallville with twenty-one points and Richard George was high for Auburn with sixteen.

The Red Devils returned home and displayed a consistent brand of ball and won despite some sensational shooting by Angola. The final score was 63 to 50. Blevins was high point man for Auburn with twenty and Richard George was next with sixteen.

The Decatur Yellow Jackets gave the Auburn Red Devils a stinging 73 to 52 setback at Decatur.

The Yellow Jackets pulled a full court press and Auburn could not cope with it. Jacob Blevins and Richard George were high for Auburn with nineteen and seventeen points respectively.

Auburn took a look at one of the better teams in Indiana, Mishawaka, and were beaten 81 to 59. The Red Devils kept pace with the Cavemen in the second and third quarters. Then Mishawaka pulled away from Auburn in the fourth period.

Fort Wayne Central lived up to their number four ranking in the state when they whipped the Auburn Red Devils by a one-sided 77 to 40 score. Auburn Red Devils shot poorly and no man finished in double figures.

The Auburn Red Devils traveled to Goshen and lost in a "Battle of Losers" by the score of 60 to 41. Both teams were on the foul line many times, but Goshen was able to convert and Auburn was not. Blevins was high point man for Auburn with twenty.

Auburn lost a tough game to the Hartford City Airedales 54 to 48. Dave Jones, tall Hartford City pivot star, hit twenty-six points to lead them to victory. The Airedales pulled away in the final quarter and played control ball. Blevins was high for Auburn with seventeen points.

Auburn lost its twelfth game to the Bluffton Tigers 76 to 59. Dale Millholland, a Bluffton sophomore, scored 29 points. The Red Devils only got twenty baskets in seventy attempts. Bluffton ran away in the final nine minutes of the game. Blevins was high for Auburn with twenty-one points.

The next game proved to be a long-awaited victory for the Auburn Red Devils as they defeated South Bend Adams in a thrilling overtime game 44 to 42. The Auburn victory was a team effort. Much credit for the victory should be given to the two Auburn guards, Richard Morr and Charles Laurie, for their ball handling. Richard George hit two corner shots to tie the game at forty-two all and send it into overtime. Richard Morr then scored what proved to be the winning basket.

The Red Devils won their second straight game 56 to 47 over the Huntington Vikings at Huntington. Auburn hit almost fifty per cent of their shots from the field. Blevins was high point man for Auburn with twenty-three.

Auburn played a slow control game to upset the Warsaw Tigers 52 to 50 at Warsaw. With fifteen seconds left David Magnuson scored his only two points on a one and one foul for the margin of victory. Blevins was high for Auburn with twenty-six points.

Auburn drew Ashley in the night game of the sectional tourney at Garrett. Ashley pulled an upset and ousted the Red Devils in the first round of the tourney 52 to 45. Ashley led 47 to 37 and Auburn almost pulled up by scoring eight straight points, but Ashley managed to pull away. Blevins was high for Auburn with nineteen points.

TRACK

Seventy-five boys greeted Coach Robert Walter, the new track coach for the 1957 season. Auburn lost most of their lettermen through graduation but still expected to have a good season. The squad included eleven seniors, twenty-two juniors, twenty-one sophomores, and twenty-one freshmen.

Auburn was nosed out by a fraction of a point in their first meet of the season at Kendallville. The score was Auburn 54⅓; Kendallville 54⅔. The times were slow in all events; the track was sluggish and both teams lacked practice. John "Hoot" Evers was the star for Kendallville with three firsts while Jake Blevins was a double winner for Auburn.

April 20 was an important date because of the Goshen Relays. Auburn took twelfth place in the Class B events with 22 points. All of the Red Devils' points came in the relays. They collected a second, a third, and two fourths.

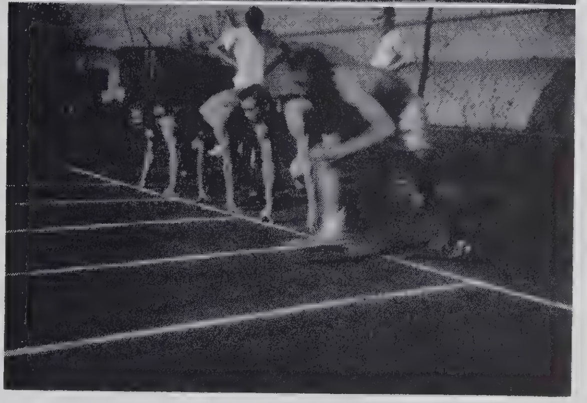
The Garrett Railroaders made a strike with all their fury to run up a score of 95 to 14 over the Auburn Devils. The veteran thinly clads of Coach Dick Capin had too much power and scored slams in six events and took both relay races. Only Carl Winebrenner snagged a blue ribbon for Coach Walter's team when he bested the field in the broad jump with a leap of 17 feet 7½ inches. The Garrett reserves also won from the Auburn reserves but not by such a top-heavy score. The final count was 69⅓ to 39⅔.

The Auburn Red Devils scored only 7½ points in the Class B events of the Kokomo Relays Saturday, April 27. Auburn's half-mile relay team was first in its event, and the medley relay team came in fifth. In individual events Jake Blevins was fifth in the shot put and Jerry Hess tied for fifth in the low hurdles.

On April 30 the Red Devils scored their first win of the '57 season. Auburn defeated the Butler Windmills by a score of 69 to 40. The Red Devils won six events and both relays. They scored slams in the short dash and quarter mile run. The Auburn reserves ran wild in their 91 to 17 win over the Butler reserves. They won first in every event and took both relays.

Auburn won its second track meet as they squeezed out a 56 to 53 victory over Fort Wayne Central Catholic. The Irish put on a rally in the last four events to turn a comfortable Auburn lead into a tight finish. A bad pass cost the half-mile relay team their event as the runner fell down. Auburn received seven seconds, seven thirds, and five firsts.

1957



Auburn turned in an impressive 75 to 34 win over the Fremont Eagles at Auburn. Coach Bob Walter's lads won seven first place ribbons, tied for another, and won both relays. Jerry Hess paced Auburn with two firsts in the hurdles and tied for first in the pole vault. The half-mile relay team of Jon Feagler, Jake Blevins, Abe Ochstein, and Art Albert was about a second above the track record of 1:39.4.

Auburn played its first triangular meet and won by scoring 76 points to 43 for Waterloo and 18 for Riverdale. Auburn had too much balance and overall strength. Waterloo's Dick Eastridge took honors by getting three firsts and a second for 18 points. The Red Devils took four firsts and both relays.

The Auburn Red Devils in their first meet with the Huntertown Wildcats won by a score of 74 to 35. Jerry Hess broke the track record for the high hurdles by recording a time of 16.1. The Red Devils got six blue ribbons to five for the visitors. Jerry Hess was the only double winner with victories in the high and low hurdles.

May 13 was the date of the sectional, but Auburn failed to score. The meet was run in a constant rain; therefore, the times were slow.

Angola stopped the Auburn winning streak by scoring a 72½ to 36½ victory. Angola had too many veterans for the Red Devils to cope with. The visitors took all but two blue ribbons, set two new track records, and tied another. Mike Erickson's 10.3 century tied the old record. The 880 relay team set a new mark of 1:39.05. Dick Finch set a new record in the low hurdles of 21.1.

The Red Devils recorded a winning season of five wins and three losses. Auburn can look forward to next year for a brilliant season as they will lose only six lettermen.

After a fairly successful season, Coach Robert Walter issued the awards. Those receiving letters or chevrons were: Arthur Albert, Jacob Blevins, Charles Coffin, John Cutter, Jon Feagler, Richard George, Jerry Hess, James Jackson, Dennis Ketzenberger, Charles Laurie, James Lewis, Eugene Link, Michael Long, David Magnuson, James Moody, Richard Morr, Edwin Perkins, Abe Ochstein, Billy Rediger, William Stouder, Preston Stackhouse, Ronald Thomas, Kenneth Webb, Carl Winebrenner, and Larry Morr, who received a manager's letter.

The following boys received silver track shoes as senior awards: John Cutter, Jerry Hess, Carl Hildebrandt, James Lewis, Edward McDonald, James Moody, William Stouder, and Carl Winebrenner.

THE REFORMATORY RECORD

Weather—A—parole showers price: not for cell
Volume 414 published under pressure

A LIFE-TERMER REPORTS

On September 4, 1957, the parolees received their summonses which ordered them to report to Parole Officer Miller.

After registering, four hundred and fourteen were convicted and sentenced to nine months of hard labor in the A.H.S. reformatory.

The inmates were divided into four different categories. The first offenders were called Felonious Freshmen. The second offenders were called Sneaky Sophomores. The third offenders were called the Juvenile Juniors while the fourth offenders were called the Raunchy Seniors (sometimes referred to as the "four-time losers"). The Raunchy Seniors were to be considered for permanent parole in May.

After the first few weeks, the inmates began to adjust to the reformatory routine. A six-hour work day was supervised with careful scrutiny by the A.H.S. guards. The guards gave detailed reports on the work of the individual inmates every six weeks. These reports served as important evidence regarding the length of each inmate's term. Some inmates had their terms shortened for good behavior while others were sentenced to a seven-hour work day. Our vote for the least over-worked inmate goes to "Sleepy" Herbolsheimer.

The male inmates were under the supervision of Warden Young.

During the fall months a football team was organized by Recreational Director Landry. The team performed well and succeeded in trouncing Levenworth, which is located approximately five miles west of us.

Matron Bobay directed the annual prisoners' play. The play, "Escape," was a hit with the inmates! "Bugsy" Brown's acting as the escape artist brought him prison-wide acclaim. When he was asked the secret of his acting success, his only comment was, "Who's acting?" Jack Webb was so impressed that he offered "Bugsy" a contract to appear on Dragnet.

In November, Recreational Director Landry organized the basketball squad which was to represent our reformatory. The high point of the season occurred when a referee was mistaken for an inmate by Guard Weathers. In the confusion, "Muggsy" Magnuson ducked out the back door and skipped town. However, Guard Weathers peeled out of the gymnasium on his reformatory-renowned bicycle and cornered "Muggsy" within an hour.

Warden Walters organized the track team in March. The inmates excelled in this sport, especially in the running events. Previous experience seemed to aid them immensely. "Mercury" Morr was our star distance runner. He modestly attributed his running ability to the hours he spent running down Altona's alleys from Deputy Deck.

The female inmates of the reformatory were under the supervision of Matron Dawson. The girls participated in athletic activities under the supervision of Guard Herzer.

"Hercules" Heitz was acclaimed the champion wrestler after she successfully managed to break "Killer" Klock's strangle hold. Unfortunately, in the process, she broke "Killer."

"Swivel Hips" Baker and "Seductive" Silberg instigated a floating crap game, but Guard Ruddick and her deputies, acting on a tip from "Mouthy" Miller, raided it. Three days later, last rites were administered for "Mouthy," who died mysteriously.

Both male and female inmates were subjected to very little disciplinary action.

"Kid" Carrico was placed into solitary confinement

Bill Eden was sentenced to ten years in solitary confinement. The first year, he found an ant in his cell and determined, "I'll keep myself occupied teaching this ant some tricks so that when I get out I can make a fortune with it."

By the time Bill was released, he had taught that ant by exercise of infinite patience, how to do somersaults, speak fluent Greek and Latin, and explain the Einstein theory. He put it in a little box and headed for his first drink in ten years.

Here was his chance to show off his miraculous ant! He placed it carefully on the bar and called the barkeeper. "Hey," he cried. "Have a look at this!"

The bartender nodded grimly. He brought the flat of his hand down with squash and complained, "That's the third darn ant I've killed on this bar today."

SENIORS: Here is an axiom which will bear a second reading —

> "There are two kinds of discontent in this world; the discontent that works, and the discontent that wrings its hands. The first gets what it wants, and the second loses what it had. There is no cure for the first but success, and there is no cure at all for the second."

THIS IS THE . . .

PREAMBLE TO THE CONSTITUTION OF THE AMERICAN LEGION

For God and Country, we associate ourselves together for the following purposes:

To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate a one hundred percent Americanism; to preserve the memories and incidents of our associations in the Great Wars; to inculcate a sense of individual obligation to the community, state and nation; to combat the autocracy of both the classes and masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness.
